Re: United States v. Ronell Wilson,  
Criminal Docket No. 04-CR-1016 (NGG)

In light of the Court's denial of the government's motion to reconsider, the government respectfully requests that the Court authorize the government to appoint an Assistant United States Attorney from the United States Attorney's Office for the Eastern District of New York as "taint" counsel for these proceedings. As the Court is aware, the previously assigned "taint" counsel from the United States Attorney's Office for the Southern District of New York is no longer available to work on this matter. Given that the defendant stands convicted of the charges in this matter, the government submits that the concerns that led the Court to previously appoint an out-of-district "taint" counsel no longer exist. Counsel for the defendant have indicated their consent to this appointment.

Respectfully submitted,

LORETTA E. LYNCH  
United States Attorney
